Reasons for Allowance

Allowable Subject Matter

Claims 1-9, 11-29, 31-39, 41-54 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: The prior art of record lacks in disclosing a gaming device with a central game including player selectable transfer to peripheral game outcomes wherein the peripheral game includes a plurality of second selections for the player to select which may transfer the player to another peripheral game or back to the central game.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Amendment

It has been noted that claims 1, 11, 21, 23, 31, 36 and 38 have been amended. Claims 10, 30 and 40 have been cancelled. New claims 47-54 have been added.

Response to Arguments

The claims have been allowed due to the amended claim language.
